Dear Medical Board Of California.

First, I want to let you know that your last letter on the status of my case was received by us mail and web filed here:

<http://doctor-eric-tomomi-shigeno.fuckeduphuman.net/MedicalBoardOfCalifornia-RequestForMoreInformation-InWriting.jpg>

This is a valid internet domain public filed surface web indexed space onto our information society. In fact that I stand with information valid presences with details with this internet domain web presence on LinkedIn, Facebook, Twitter, etc.... the standard to this naming space is established by the standards found on LinkedIn, the largest and most recognized professional's social media networking platform.

On LinkedIn there are actual "In Operation" company name profiles that contain the word "Fuck" in them, [you can perform your own search using by Company Keyword "Fuck"]. Such examples include [but not limited to], "Fuck Cancer", "Fuck Yeah Astrophysics", "Fuck Rassism", and "Fucked Up Design".

All of these actual named "Fuck" companies have web presences [of course] under the web presence of similarly named internet domains.

What this establishes is that the word "Fuck" can be used in any communication or correspondences deemed necessary to the situation at hand or need.

The Internet domain and the usage I have holding against the Doctor reflecting "FuckedUpHuman.Net" is just an extension of this standard that is established for use across the web found on LinkedIn.

Do you agree?

Now with that said, I want to have EACH AND EVERY PERSON'S FULL NAME that is processing Control#80002019054819 to be revealed upon the record.

In that I received a letter of termination of services today May 31st sent by regular mail by the clinic that employees referenced Doctor in my complaint, they are just now issuing this letter claiming "threatening behavior" to cover their ass because they realize the arguments that I am putting up into this case are the realism of truth that has occurred in my healthcare delivery of care.

MOREOVER ----

When I received your letter dated May 2nd, 2019 --- I actually took the time to head by car to travel from San Bernardino to Sacramento to visit your office first hand in person to make sure that this case is properly processed. In that the signature line of this letter reflects "Mike G" and the signature itself is an elonged horizontal oval, it is highly unusual that this case is being considered as serious of a breach of trust that this is. I provided a written copy response as requested. I have not yet received a response for further extension of decision-making status in this case.

In an effort to document a CONSPIRACY that is EXPOSED in the HEALTHcARE of HIV SPECIFIC CARE --- I am honoring and following my conscience to not leave anything to just mere omission of facts.

IN THAT THIS IS THE FACTS --- A Day Last Week I was visited by three officers of the San Bernardino Police Department for which I was able to have a frank discussion about what is actually occurring in this case. The officers were so kind and gracious to have a technology discourse on the technology internet domain spaces that I hold to document the truth.

IT IS YOUR ETHICAL AND MORAL DUTY TO REPRESENT THE TRUTH IN THESE MATTERS AND NOT DEFEND WRONGDOING --- IN THAT IF YOU DO NOT DEFEND THE RIGHTDOING IN THIS CASE --- PERFORM YOUR ROLE TASK OPPOSITE TO THE PUBLIC TRUST, YOU ARE ONE MORE LEVEL OF #GovernmentSponsoredHate INVOLVED IN THIS CONSPIRACY THAT MUST BE PURSUED FOR CORRECTIVE ADAPTIVE SOLUTIONS TO BE BROUGHT INTO THE LIGHT --- I MAKE NO PROMISES THAT IF I HAVE TO --- I WILL PURSUE LEGAL REMEDY TO HOLD THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE TRUTH AS A STANDARD THAT ALL CITIZENS CAN TRUST THAT IS BEING HONORED BY THE CHECKS AND BALANCES MADE IN THIS COMPLAINT. EVERYTHING ON MY DOMAINS IS OPEN FOR PUBLIC ACCESS AND WEB SURFACE INDEXED SEARCHING.

Art thou dejected?
Is thy mind o'ercast?
To chase thy gloom,
Go fix some weighty truth;
Chain down some passion; do some generous good;
Teach Ignorance to see, or Grief to smile;
Correct thy friend; befriend thy greatest foe;
Be just in all things; make amends
For follies past, and, with warm heart,
Forgive, and be forgiven. Let work not words
Thy virtue prove. Go act as well as prate,
And then thy counsels will be strong,
Thy reprimands avail. 翰NON

THE province of the historian is to gather the threads of the past ere they elude forever his grasp and weave them into a harmonious web to which the art preservative may give immortality. Therefore he who would rescue from fast gathering oblivion the deeds of a community and send them on to futurity in an imperishable record should deliver a plain unvarnished tale.

THAT IS EXACTLY THE TASK THAT THIS FAX SERVES --- I AM ONLY FOLLOWING MY CONSCIENCE TO HOLD THESE WORDS HONORABLE AT ALL STAGES OF EXPOSING THIS CONSPIRACY --- AND JAIL TIME SEEMS TO BE WHERE THIS IS HEADING FOR THE OFFENDERS OF THE LAW --- WHEN I AM ASKING FOR PEACE AND RECONCILIATION AND FOLLOW THE MORAL GUIDANCE OF THE AMA JOURNAL OF ETHICS AND HELP ME MAKE A CORRECTION OF THIS POLICY DISASTER CALLED THE RYAN WHITE CARE ACT!

TO THAT REVIEW.... YOU WILL
BE LAUGHED OUT OF COURT!

This letter is to inform you that, due to your threatening behavior towards clinic staff
and patients, we have found it necessary to terminate your care at the clinic and throughout our network of

I SAID VERY SPECIFICALLY TO THE STAFF ON THE OTHER SIDE OF THE COUNTER, AS I HAND DELIVER A WRITTEN MESSAGE "THIS IS YOUR LAST CHANCE" BEFORE I FILE A COMPLAINT WITH THE BOARD OF ETHICS. [Which I have done! --- That Was March. If I was a threat of any kind, and you treated such behavior as SERIOUS, IT WOULD NOT TAKE ALMOST 2 MONTHS TO GENERATE THIS RESPONSE! YOU ARE ONLY ISSUING THIS LETTER TO COVER YOUR ASS --- WHICH I WILL EFFECTIVELY BREAK! AFTER MY LAST FAX THE OTHER DAY, I HAD THREE OFFICERS VISIT ME. I HAD A GREAT CONVERSATION IN THE MATTERS OF COMMUNITY TRUST AND DESCRIBED THE EVENTS THAT OCCURED THE LAST MEDICAL SESSION WITH DOCTOR SHIGENO. I SAID EVEN IF THERE WAS A RESTRAINING ORDER, I WOULD BREAK SUCH ORDERS. YOU ARE LEFT WITH ME STILL COMMUNICATING TO YOUR CLINIC!

YOU ALL ARE A BUNCH OF HOT AIR --- AND YOUR GROUNDS FOR ISSUING THIS LETTER IS DISHONEST!

Re: *Termination of Patient Services*

VIA REGULAR AND CERTIFIED MAIL WITH RETURN RECEIPT REQUESTED

James Driskill,

This letter is to inform you that, due to your threatening behavior towards clinic staff at *D Street Medical Center*, we have found it necessary to terminate your care at the clinic and throughout our network of Clinics. This termination of patient services is effective **immediately**. You are not allowed on any of our clinic properties nor are you allowed to contact our clinics.

You should contact your health insurance company for assistance with locating and selecting a new provider. Once you have selected a new physician, you may complete and send to our office an Authorization to Release Medical Records, so that we may provide your new physician with your medical history.

We wish you good health.

Sincerely,

Borrego Health

 Control #: 8002019054819

Dear James Martin Driskill:

We have reviewed your complaint and need to contact you for additional information.

We request the following information: in writing, please provide your specific allegation directly pertaining to Dr. Shigeno regarding your care. For example, did Dr. Shigeno misdiagnose your condition or fail to provide adequate treatment?

Please provide the information by **5/27/2019, or the case will be closed**. Please refer to the "Control Number" above when replying.

Sincerely,

MIKE G

A "sign" of something out of order and wrong here. This letter overrides my social media theme I've been posting of "respond a response of responsibility".

I went to the country Ryan White Program administrator when my first interface with FAP failed. I talked with Bonnie Flippin, and she would not be able to help me and directed a "letter of non-responsibility" to be referred back to FAP. In such a disordered recycling dysfunction, this is a situation out of hand and out of common decency. What exactly is at hand here making everyone involved to act "unprofessionally" onto clients who are making an inquiry to the problems of the HIV community that no one is addressing? What is your fucking problem?

When I saw that this letter has no signature authority of responsibility... do you know what I did in view of my needs to correct this matter to the termination of a conspiracy permanently? As addressed to the residence of San Bernardino, I drove to Sacramento and visited in person the office of their operations. YES, I DID THAT!

There is nothing that is going to escape my effort at dismantling this obvious effecting secret agenda that you have had for at least a decade to divide the HIV community into two camps. That would be the "sinners" that you have judged to be unworthy of a quality of service and care of excellence. To be separated from these services to not be valued for the supportive care and doctor provider treatment --- thus preventable and premature death occurs in the expedited digression of HIV disease in this targeted HIV population. DON'T YOU DARE FUCKING LIE AND TELL ME THAT THERE IS NOT SUCH A EMBEDDED CONSPIRACY!

Repairing "Difficult" Patient-Clinician Relationships

Denise M. Dudzinski, PhD, MTS and Carrol Alvarez, MS, RN

Conclusion

Clinicians readily accommodate patients' physical disabilities, but they might neglect to take into account patients' deficits in social and life skills or thorny personal styles. The latter signal the need for different kinds of accommodations. Patients' personal histories may influence their expression of distress, communicated in ways that complicate their ability to receive necessary care. When a clinician encounters a patient whose behaviors are disruptive and distressing, a step back for reflection can provide a shift in perspective.

The basis of trust in the patient-clinician relationship is a fiduciary obligation to protect, respect, and heal vulnerable patients. The patient-clinician relationship is inherently unequal, and the physician marshals her knowledge and power solely to aid the patient. Consequently, clinicians always have more responsibility to repair and rebuild the relationship than patients. The strategies discussed here can help clinicians do just that.

This matter is expanded more than just a single interfaced patient to provider. THIS MATTER IS ABOUT THE COLLECTIVE EROSION OF TRUST OCCURRING IN THE HIV/AIDS FIELD INDUSTRY OF TREATMENT AND SOCIAL SERVICES. WHAT IS HAPPENING ON THE FLIP END SIDE OF THIS SETUP STRUCTURE IS:
