This fax is absolutely fucking extremely serious as a heart attack real. If you treat it like something to just pass by and dismiss because you are all cowards to stand up for rational consistency of holding honorable to defeat and remove the master manipulator wolf at the top of this conspiracy that is rooted in every aspect of our society.

That you allow yourself to become delusional in a game that each and every one of you are playing in the mortal combat game of wits and worths.

That even one single human being born of any year, of any race, of any gender or non-gender or complexity of scientific reasoning truth, having actually any mixed spread spectrum gender identification classification and thus typically prejudiced and devalued from what are competing memes of acceptance within our memeplexes of reality this exact day to rightfully do something grand scale right, morally just right, morally absolute truth, instead of choosing wrong once again this fucking time.

Time to fucking change the direction of this society that defends hate and haters over love and peace paradigms.

The mortal enemy debate worn out and on the road of the disgrace in all of this is actually a spread spectrum gender identification classifications breaking any kind of mold to forces male/female duplicity much less our sexuality as another scale of spread spectrum classification between all kinds of things we can't seem to get our fucking mouths to stop judging as "The Dirty". For right here and now breaking all aspects of considerations for all shits of wrongdoings left unsaid, buried, covered-up, embarrassed here are along for the ride of this broken American dream.

These are broken with a whole lot more of social norms for sanity sakes,

#AllLivesMatter !

Right here and now - this is not your average fax --- and it will not be trashed --- I demand it personally redelivered into my care by the human being now reading --- save it - print it - immediately get onto a transport - and personally transport that fresh ink to paper copy back to the origin San Bernardino address

34°09'03.5"N 117°18'40.3"W ]

with a fucking apology for #FuckedUpHumanGeyserAssholes that you are one of them for fucking sure until you prove it to me otherwise by this gesture of good will. That you do not have the intention to kill me!

I am the peacebuilder who is set as status #HIVUntreatable !

I am under LIFE THREATENING conditions of HEALTHCARE DISREPAIR to be UNDER ATTACK in a status of SUSPENDED nonsense that is INTENDED TO KILL ME!

To defend what has happened is fucked up human of you.

This is the first and the worst of all things that separate our social conscience wisdom of doing the right thing here.

That patience is a virtue but your tendency to put me to pasture to quickly escape your duty and I am cast away hurried up to them slaughter of mass casualties that have already occurred.

BREAK BREAK BREAK : 911 911 911 : EMERGENCY : SOS SOS SOS : MAY DAY : MAY DAY MAY DAY : Are you listening?

That even one single human being born in any year, I was born September 1st, 1965 in the city of San Bernardino CA. I am once again in a dysfunctional cycle of 10+ years of perpetual homelessness from haters that intend to kill me to not release me from their moral judgments.

Breaking this path of death that is being redefined here so that it shall be deemed unacceptable to continue, intolerable to defend, that not even one single human being living that dies from these circumstances of haters being allowed to win in this United States culture of dishonesty that dies in the next hour, or tomorrow or next week, or the next month, or next year, or the fucking next decade ---- dead -- human not fucking breathing, not fucking thinking, not fucking living that was preventable and unnecessarily because of this conspiracy.

Don't insult my intelligence that you have not yet printed that copy ready for your transport to personally guarantee me your pledge of allegiance to the United States of America -- your duty to honor this realism and PROTECT and SERVE.

Any failure here is on your all parts ---

Any thinking there is an acceptable loss in this are 1000% wrong aspects of human life that we are attempting to comprehend why our country is failing at holding virtue for honesty to protect a collective pack of hungry hater wolves.

My answer to that is said in this poetic words written February 2005. You can't change me to mold me to death.

I PROTEST!

**Does anyone in this list know why a clear blue sky is ALWAYS blue -- day or night?  
Is this not true? Is black a color?**

**If you don't know that basic shit of an answer -- go away to find why the clear blue sky is ALWAYS AND 100% FOREVER BLUE!**

**What shade of blue? Different... why? FUCKED UP HUMANS!**

**Is this not true? Is black a color?**

**Colors are where the universe lies. Black or white are no colors. They are the extremes of NONE and ALL. NONE and ALL. NONE and ALL.**

**Blow the winds and the rains of why the clear blue sky is always forever blue. Always... fucked up humans... fucked up humans. Will it always be forever blue? Do you know the way to say YES it will or NO it will not?**

or

**Should the the clear blue sky actually become black? Will it become black? No it can't be black. We are never never ever going to black. Black can't be in this space now. Black is NONE. White is ALL. Where is the difference? Everything is always BLACK before it can be WHITE for something was at one time NOTHING, right?**

NAH.. that's is not the answer I believe. I believe the universe was NEVER black before it became white... For ALL is ALWAYS ALL and has ALWAYS been ALL for whatever time of infinite time that ALL is. WE ARE ALL. We in the midway now. Mindway makes the fucked up Humans turn the clear blue sky all of its many shades of blue. Blue... What's the transitions that made difference in blue as it was then, blue in that next few time of difference it needed to become a new blue? New blue... what is that name... NEW? New what.... New understanding that the shade of blue is always changing and never the same blue as it was in it's most infinite ways it can be blue. Blue is blue is blue... BLUE BLOW BLOW BLOW AWAY the blue of fucked up humans.

Fucked up humans make the blue sky blue grey. Now is there a new color here? No grey is not color still again. Any mix of BLACK (none) and WHITE (all) is a shade of GREY (some). Some things are just best be grey. Never BLACK! ALWAYS WHITE and why is WHITE the only true way to be RIGHT? For knowing it ALL is knowing that ALL is the RIGHT way and NONE is the WRONG way and GREY is struggling to find the RIGHT WAY. Turn the directions of change to the WHITE ALWAYS WAY and NEVER go into the BLACK NONE WAY. (NOWAY). No way shall we go to the BLACK NONE WAY. NONE WAY NONE WAY NO WAY.

Why is this always NO WAY? ALWAYS SHOULD BE SOMEWAY. Someway there is an answer that lies as the truth. TRUTH is ALWAYS there. ALWAYS is White. Truth is white. Justice is GREY. and the AMERICAN WAY is the human fucked up way. Can we now go the right way? End of this WAY now. It's a matter of BLUE GREYS ALWAYS which is the human fucked up way.

That's END.

Art thou dejected?  
Is thy mind o'ercast?  
To chase thy gloom,  
Go fix some weighty truth;  
Chain down some passion; do some generous good;  
Teach Ignorance to see, or Grief to smile;  
Correct thy friend; befriend thy greatest foe;  
Be just in all things; make amends  
For follies past, and, with warm heart,  
Forgive, and be forgiven. Let work not words  
Thy virtue prove. Go act as well as prate,  
And then thy counsels will be strong,  
Thy reprimands avail. 翰NON

THE province of the historian is to gather the threads of the past ere they elude forever his grasp and weave them into a harmonious web to which the art preservative may give immortality. Therefore he who would rescue from fast gathering oblivion the deeds of a community and send them on to futurity in an imperishable record should deliver a plain unvarnished tale.

Somewhere Over The Rainbow --- Tears are flowing as I write this into this fax for the immediate derailment of a conspiracy to kill me!

---

Somewhere over the rainbow

Way up high

There's a land that I heard of

Once in a lullaby

Somewhere over the rainbow

Skies are blue  
And the dreams that you dare to dream  
Really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far  
Behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh why can't I?

If happy little bluebirds fly  
Beyond the rainbow  
Why, oh why can't I?
